

Top Three Reasons to Join IPN

1 IPN is a leader in perinatal education and advocacy in Indiana. We undertake cutting-edge and data-driven research on the causes and effects of poor perinatal outcomes and develop pilot projects to improve outcomes on the community level—*projects that can be replicated statewide.*

2 Members help build collaborative efforts and work together on statewide initiatives that make a difference in the lives of babies and their mothers.

Collaborations can involve medical professionals and others such as community groups, nonprofit organizations, professional associations, businesses and government agencies.

IPN serves to promote and protect the health and safety of mothers, babies and families through consensus building, education and collaborative partnerships among public and private organizations.

3 Since IPN fosters partnerships, your membership provides you with *networking opportunities you can't get anywhere else!*

Individual Member Benefits Include:

- ◆ IPN e-bulletin highlighting national and state trends.
- ◆ IPN's quarterly *Perinatal Perspectives* newsletter.
- ◆ Discounted registration at select IPN events.
- ◆ Help to shape the organization by electing Board members and voting on bylaws.

See **INSIDE** for registration form. Join today to save on this conference!

Options & Annual Dues:

- ◆ **Contributing Member: \$250/Year**
(Added benefit of recognition in IPN's Perinatal Perspectives newsletter, e-bulletin and on website)
- ◆ **Member: \$55/Year**
- ◆ **Consumer, Student, Community Outreach Worker: \$20/Year**

Corporate memberships are also available.

Safe Sleep Getting Out the RIGHT MESSAGE

October 4, 2006
Indiana Government Center South, Auditorium Indianapolis

Indiana continues to rank number one in the nation for unintentional deaths of infants under age one.

—CDC National Center for Health Statistics, 2003

Indiana State Department of Health
Maternal and Child Health Services
2 North Meridian St., 8-C
Indianapolis, IN 46204

8C-01

Supported in part by project H49MC00138 from the Maternal and Child Health Bureau (Title V, Social Security Act), Health Resources and Services Administration, Department of Health and Human Services.

Why Attend?

Safe Sleep: Getting Out the Right Message explores the subject of safe sleep by sifting through the data, recommendations and anecdotal comments from consumers to provide the *best practices and bottom-line information that you need to know to:*

- ◆ Interpret national, state and local data on leading causes of infant death and the contributing factors.
- ◆ Understand current American Academy of Pediatrics (AAP) risk-reduction recommendations and guidelines.
- ◆ Gain insights on what parents want and need to know about safe-sleep recommendations and guidelines.
- ◆ Understand Centers for Disease Control & Prevention (CDC) death scene investigation protocols.

CDC statistics reveal that suffocation is the number one cause of unintentional deaths among infants under age one.

—CDC National Center for Health Statistics, 2003

Who Should Attend?*

Professionals, including care coordinators, nurses, physicians, childbirth educators, coroners, childcare providers, law enforcement workers, social workers and faith-based workers such as ministers, clergy and lay leaders. Bereaved parents and families are welcome; however, content is geared toward professionals.
